Define

Voor het vak webdev-II moet ik een web applicatie maken waarmee mensen projecten/ideeën/producten aan een doelpubliek kunnen pitchen.

- Iedereen kan een account aanmaken en zijn ideeën verspreiden
- Iedereen krijgt een kans om gezien te worden

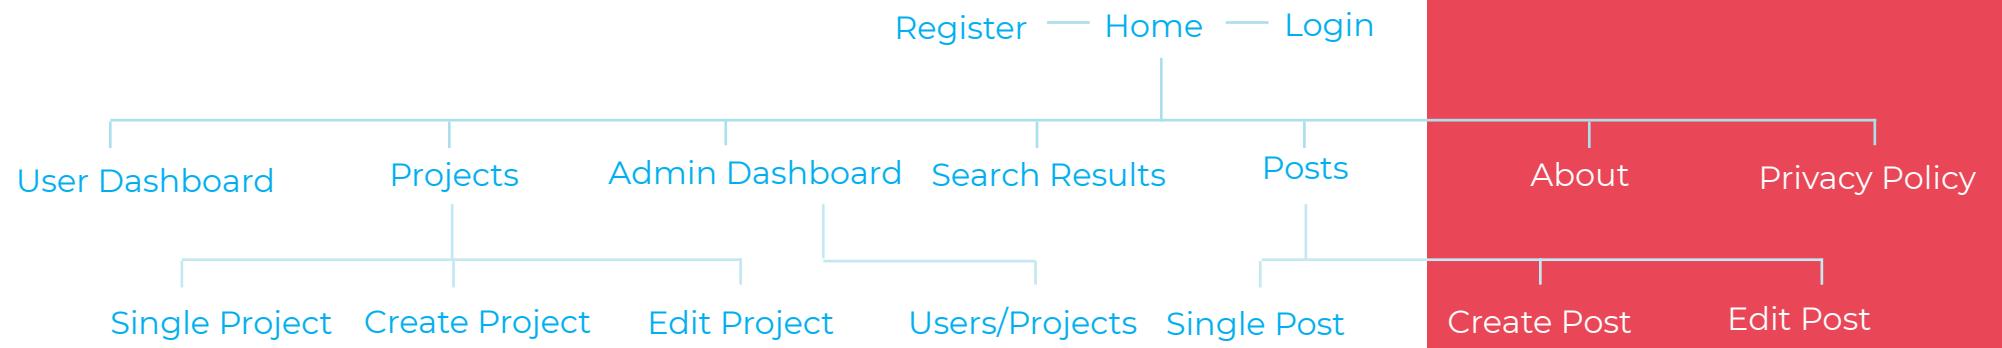

De doelgroep

- Mensen tussen 20-50 jaar
- Mensen die met technologie kunnen omgaan.
- Hipsterachtige mensen
- Alternatieve ideeën
- Werkende mensen
- Engels B1 + nodig
- Inkomen : 1.300 € Neto of meer

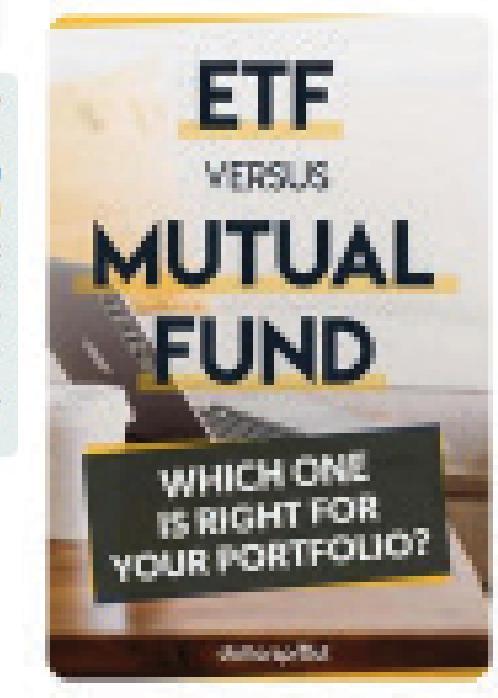

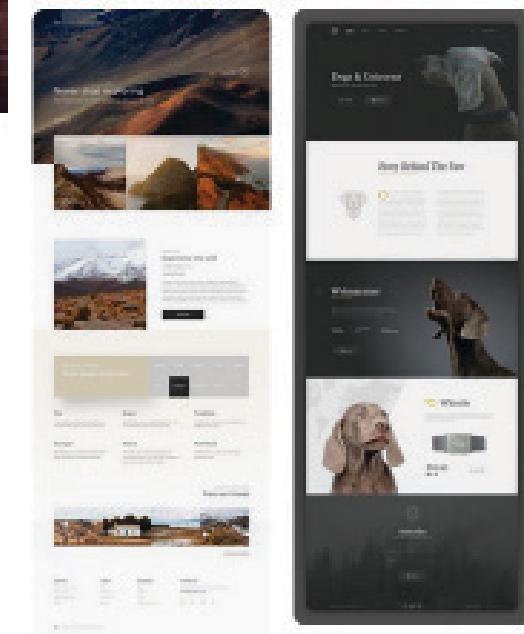

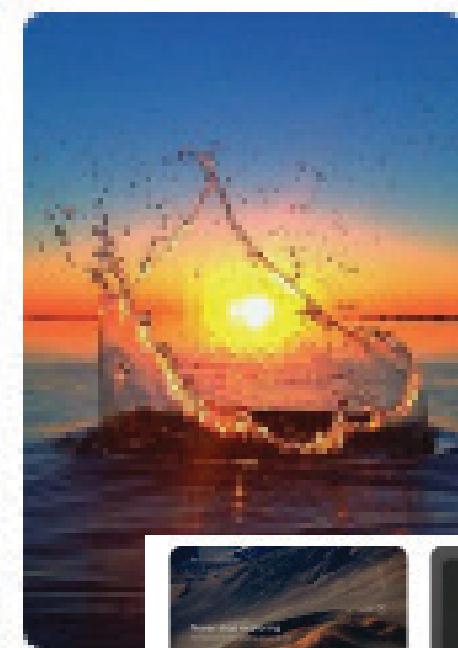

Inhoud

- Newsbrief
- Projects,
- Credits om ideeën te steunen

Create Post

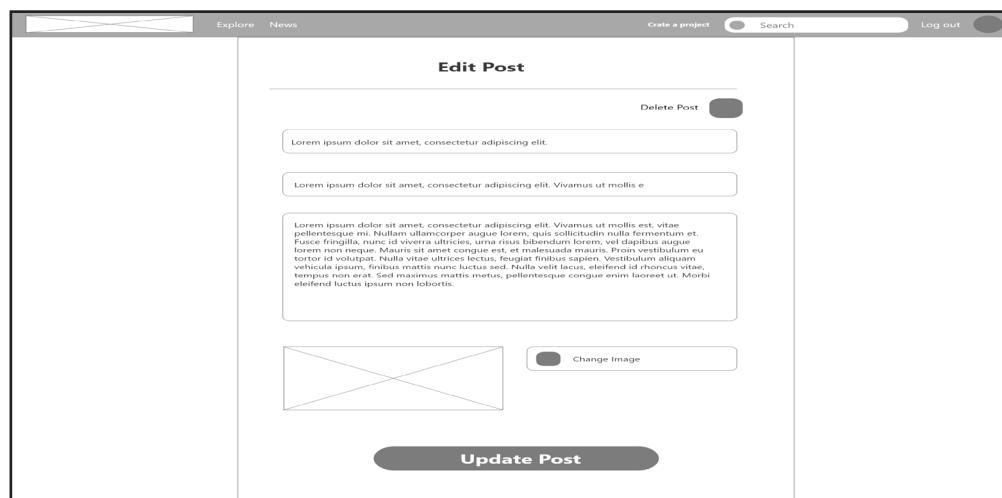

A wireframe of a 'Create Post' page. At the top, there's a header bar with 'Explore', 'News', 'Create a project', 'Search', and 'Log out'. The main area has a title 'Create Post' and contains four input fields: 'Title', 'Intro', 'Description', and 'Add image'. Below these is a large 'Create Post' button.

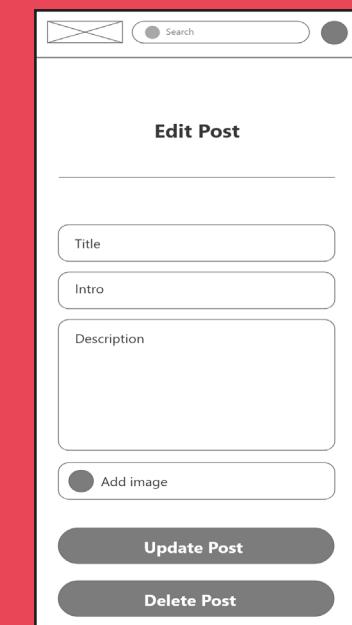

A design version of the 'Create Post' page. It features a 'Create Post' title at the top, followed by 'Title', 'Intro', and 'Description' input fields. There's an 'Add image' button with a camera icon. A large 'Create Post' button is at the bottom. At the very bottom, there are three small circular icons labeled 'Users', 'User/Projects', and 'Create Post'.

Edit Post

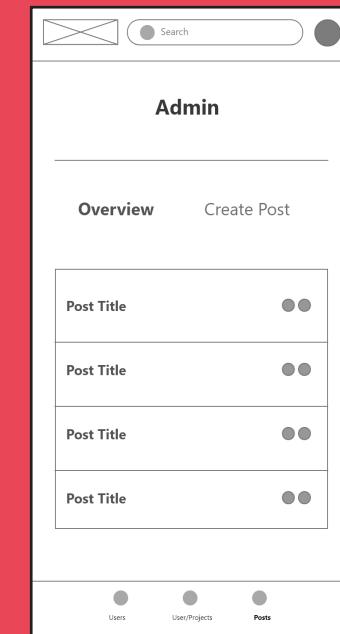

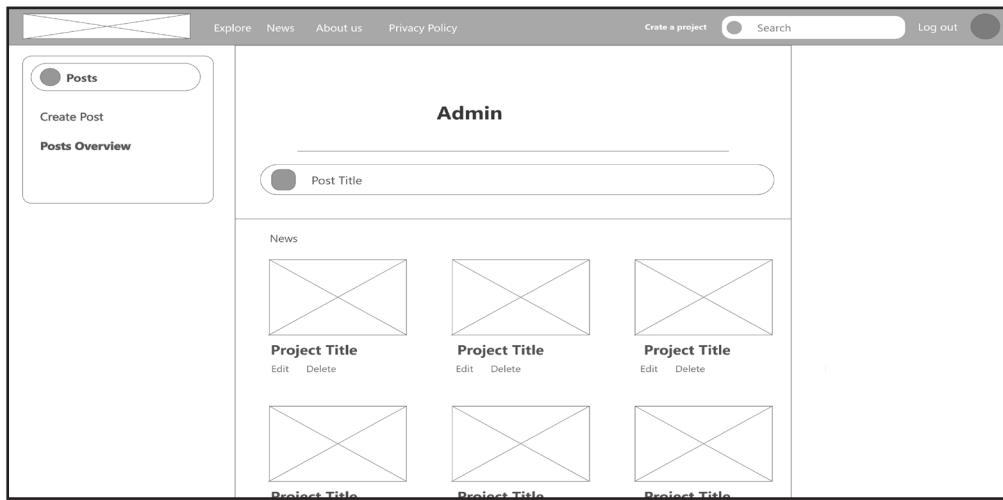

A wireframe of an 'Edit Post' page. It includes a header bar with 'Explore', 'News', 'Create a project', 'Search', and 'Log out'. The main content area has a 'Delete Post' button above two text input fields. Below them is a large text area containing placeholder text. At the bottom left is a placeholder image, and at the bottom right is a 'Change Image' button. A large 'Update Post' button is at the bottom.

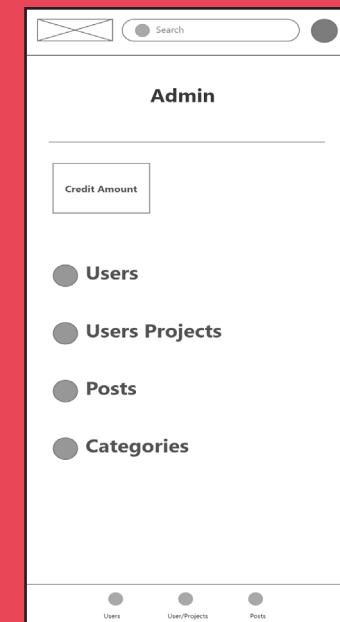

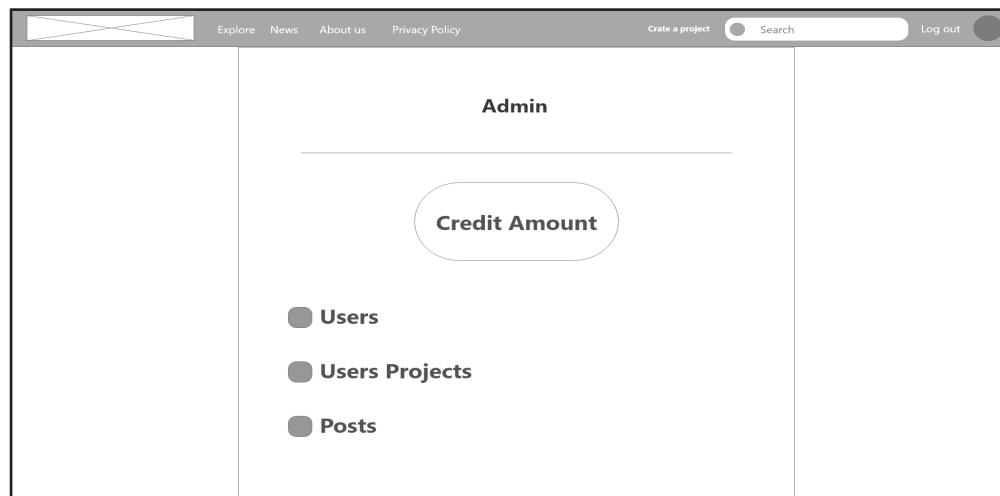

A design version of the 'Edit Post' page. It shows a 'Delete Post' button at the top, followed by 'Title', 'Intro', and 'Description' input fields. An 'Add image' button with a camera icon is present. Large 'Update Post' and 'Delete Post' buttons are at the bottom. The bottom navigation bar from the previous wireframe is also included.

Projects

This wireframe shows a user interface for a project management platform. At the top, there's a navigation bar with links for 'Explore', 'News', 'About us', and 'Privacy Policy'. On the right side of the header are buttons for 'Create a project', 'Search', and 'Log out'. The main content area displays a grid of project cards. Each card has a title ('Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus ut mollis est'), a category section with placeholder text, and a 'Sponsor Project' button. To the right of the grid is a sidebar titled 'Similar' containing four more project cards with the same structure.

Create Project

This wireframe shows a 'Create Project' form. It includes fields for 'Title', 'Intro', 'Description', 'Category' (with a selected radio button), 'Credit Goal', 'Final date', and 'Add images'. Below these fields is a large 'Create Project' button. The form is set against a background of the previous 'Projects' page wireframe.

This block contains two versions of the 'Create Project' page wireframe, both set against a red background. The left version is in light gray and follows the original design from the first wireframe. The right version is in red and features a simplified design with a single large input field for 'Title', a 'Category' section with a radio button, and a 'Create Project' button at the bottom. Both versions include a 'Search' bar at the top and a footer with 'Explore', 'News', 'About us', and 'Privacy Policy' links.

The left panel shows a wireframe of a project editing interface. It includes a header with a search bar, a title input field, an intro input field, a description input field, a category selection field, a credit goal input field, a final date input field, and a large 'Update Project' button. Below the button are three small circular buttons labeled 'Explore', 'News', and 'About us'.

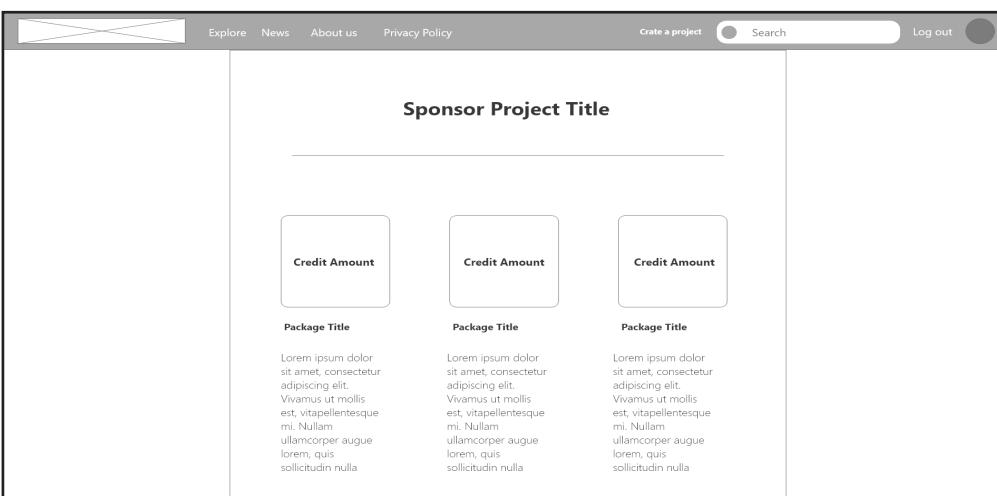

The right panel shows a wireframe of a project details interface. It features a header with a search bar, a main content area with placeholder text 'Lorem ipsum dolor sit amet, consectetur', a 'Category' section with a detailed description of the ipsum text, a 'Credit goal' section showing 25/500, a 'Deadline' section showing 05/31/2020, a 'Recent Donations' section listing four users each with 24 credits, and a 'Sponsor Project' button at the bottom. Below the button are four small circular buttons labeled 'Explore', 'News', 'About us', and 'Privacy Policy'.

Create Package

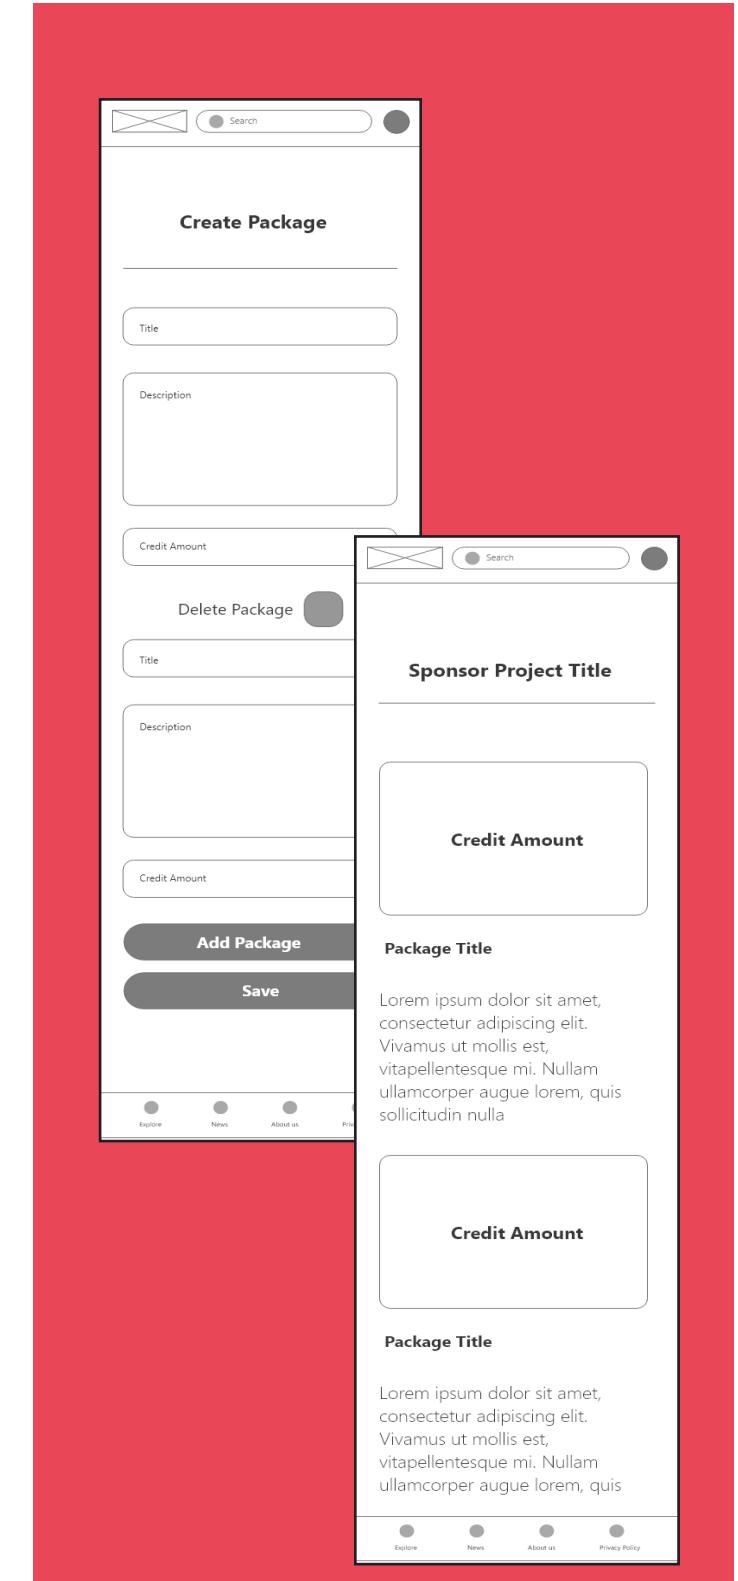

A wireframe of a web page titled "Create Packages". The page has a header with "Explore", "News", "About us", "Privacy Policy", "Create a project", "Search", and "Log out". The main content area contains two sets of input fields for creating packages. Each set includes fields for "Title", "Description", and "Amount of Credits", followed by a "Delete Package" button. Below these sets is a large "Add Package" button.

Sponsor Project

A wireframe of a web page titled "Sponsor Project Title". The page has a header with "Explore", "News", "About us", "Privacy Policy", "Create a project", "Search", and "Log out". The main content area features three separate input fields for "Credit Amount", "Package Title", and "Credit Amount". Below each input field is a brief placeholder text block.

The wireframes from the previous sections are shown on a solid red background. To the right of the "Create Package" form is a smaller "Sponsor Project Title" form. The "Sponsor Project Title" form includes a "Credit Amount" section, a "Package Title" section with placeholder text, and a "Credit Amount" section at the bottom. The footer of the "Sponsor Project Title" form contains links for "Explore", "News", "About us", and "Privacy Policy".

Purchase credits

A wireframe of a web page titled "Buy Credits". The page has a header with "Explore", "News", "About us", and "Privacy Policy" links, a search bar, and a "Log out" button. The main content area contains a placeholder image, a "Payment Name" section with three input fields for "Card Number", "Name of the card Owner", and "Amount of Credits", and a large "Buy Credits" button at the bottom.

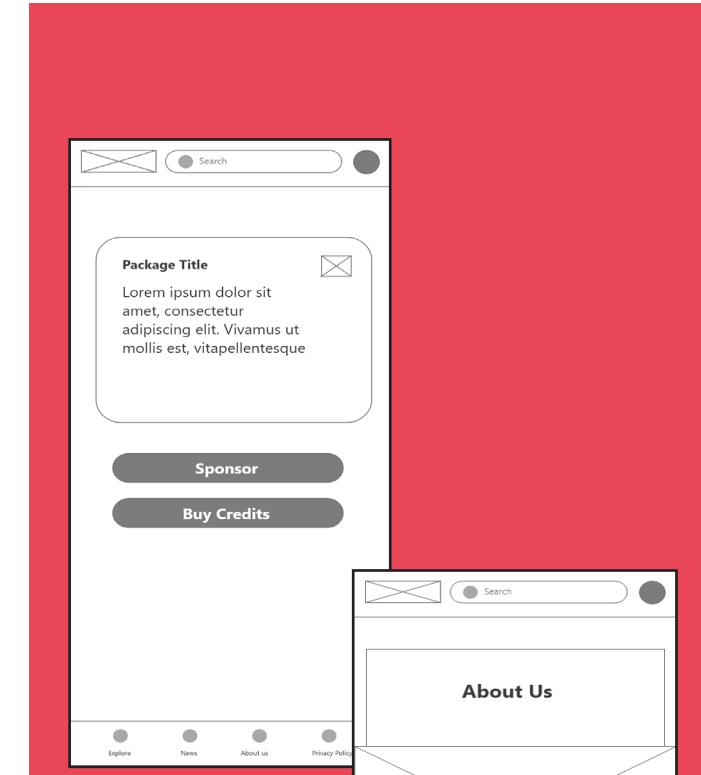

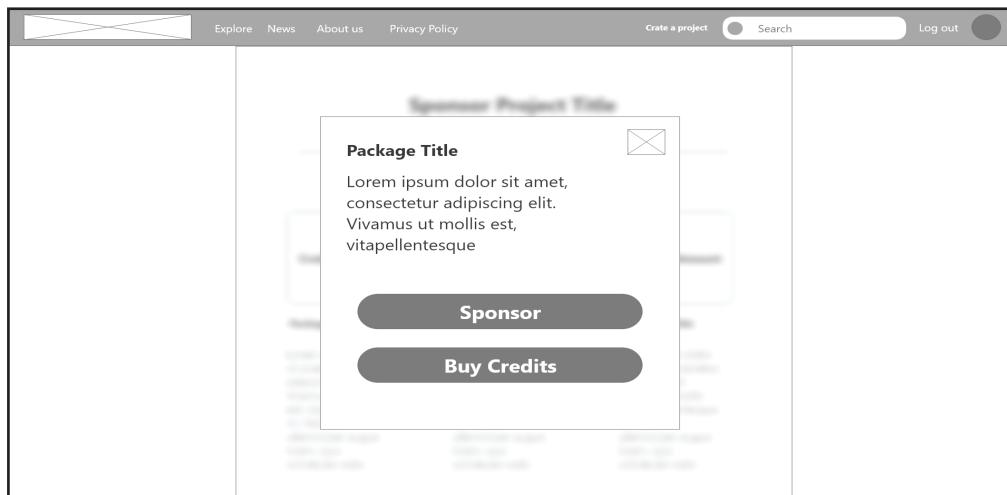

A red-colored wireframe of the same "Buy Credits" page. The entire background is red, while the page elements like the title, form fields, and button are white or light gray. The "Buy Credits" button is dark gray.

Single Project

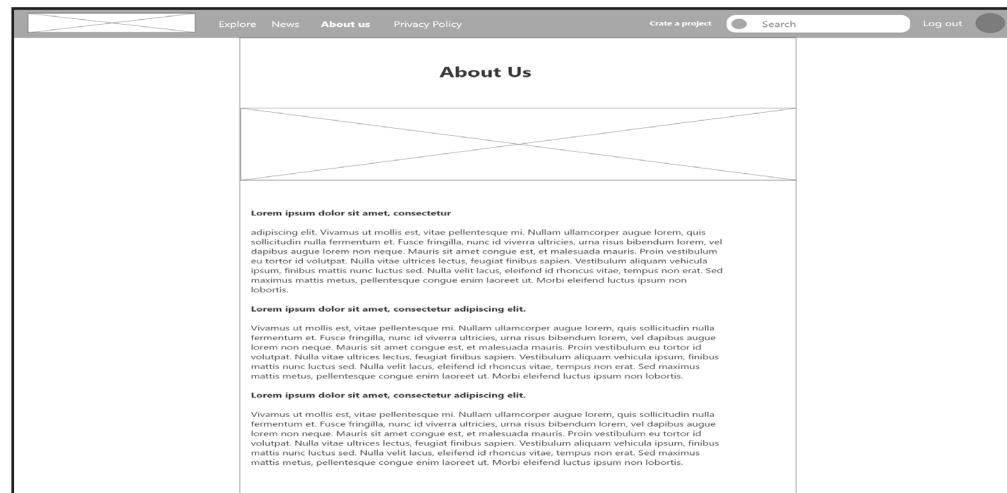

A wireframe of the "Buy Credits" page, identical to the one above it, showing the standard layout with a white background.

A red-colored wireframe of the "Buy Credits" page, identical to the one above it, showing the standard layout with a red background.

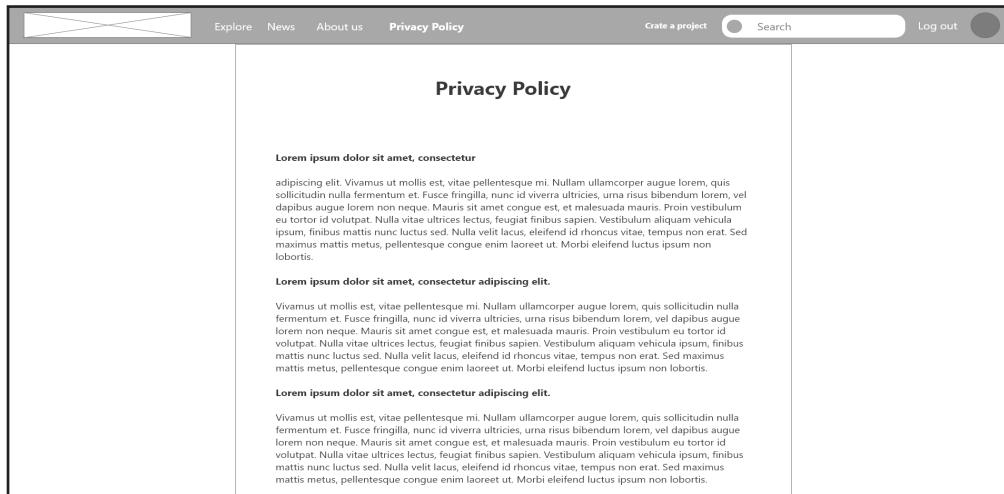

Payment

About us

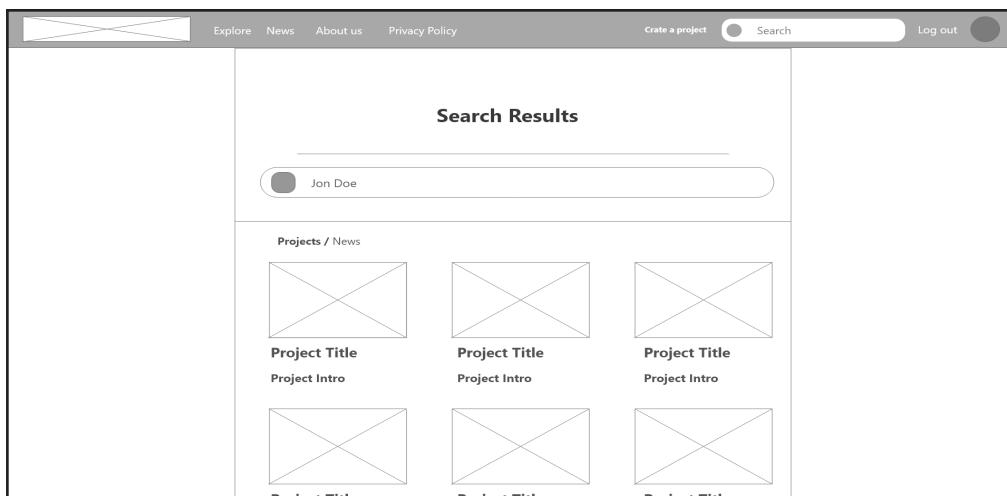

Privacy Policy

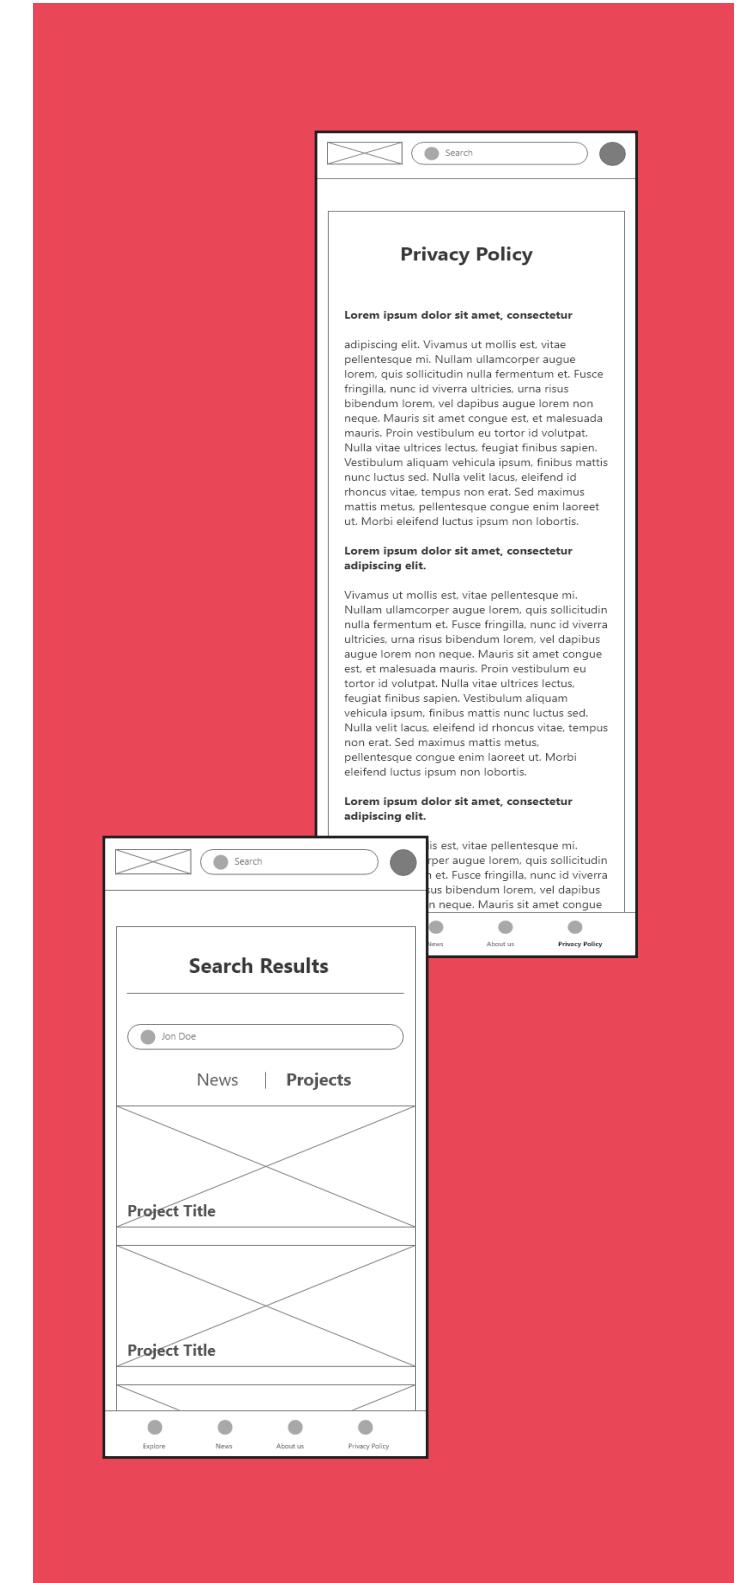

This wireframe shows a standard web page layout. At the top, there's a header bar with links for 'Explore', 'News', 'About us', and 'Privacy Policy'. Below the header is a search bar and a 'Log out' button. The main content area has a title 'Privacy Policy' and contains several blocks of placeholder text ('Lorem ipsum dolor sit amet, consectetur adipiscing elit.') and a small sidebar with more placeholder text.

Search Results

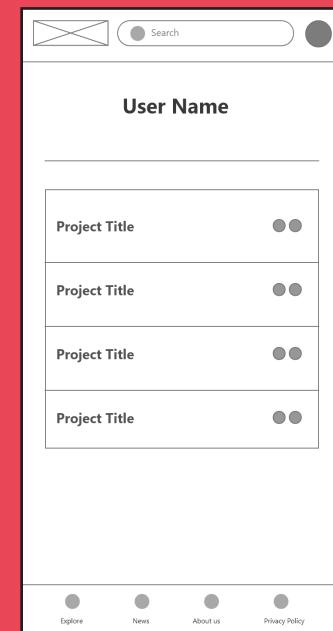

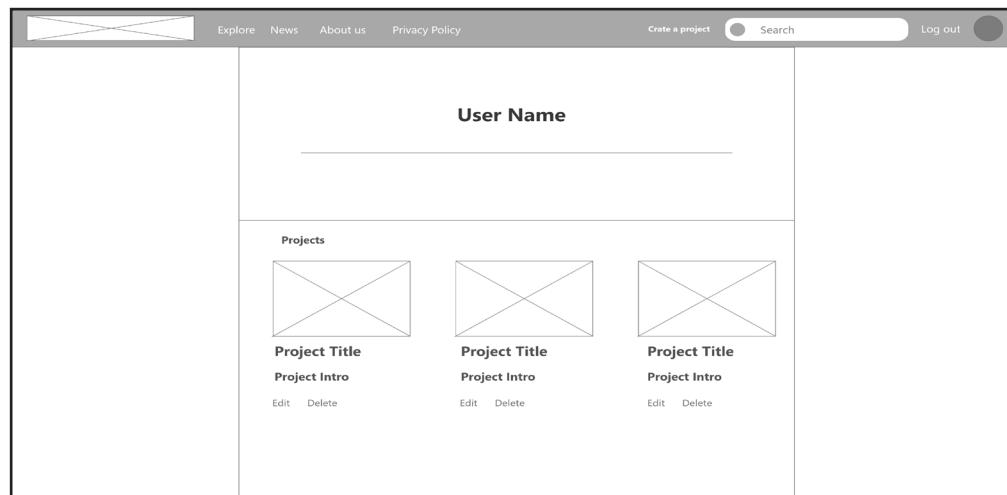

This wireframe displays a search results page. It features a header with the same navigation links as the Privacy Policy page. Below the header is a search bar with the name 'Jon Doe' typed into it. The main content area is titled 'Search Results' and shows a grid of project cards. Each card has a placeholder icon, a title 'Project Title', and a subtitle 'Project Intro'. There are two rows of three cards each.

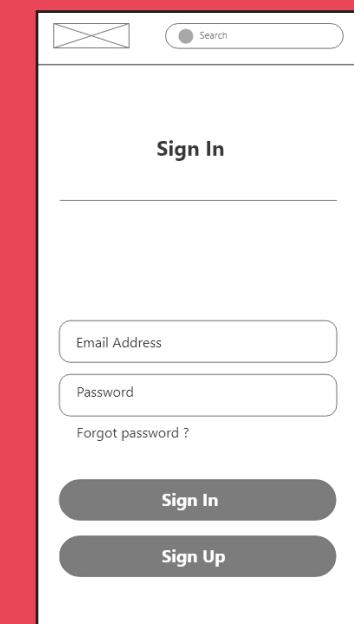

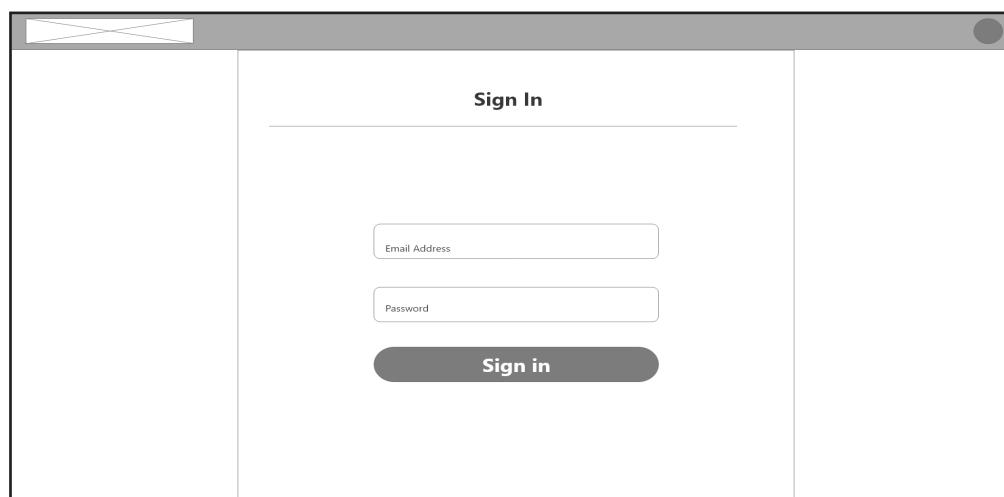

This image compares two wireframes side-by-side against a solid red background. The left wireframe is the 'Privacy Policy' page from above, showing its layout and placeholder text. The right wireframe is the 'Search Results' page from above, also showing its layout and placeholder text. This visual comparison highlights the differences in content and structure between the two pages.

User Projects overview

Sign in

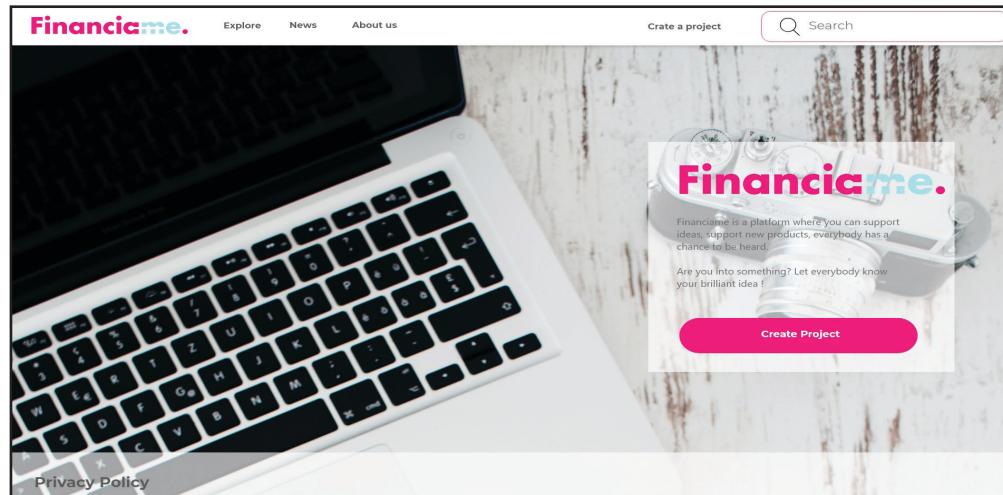

Register

A wireframe representation of a sign-up form within a browser window. The window has a title bar with standard icons (close, minimize, maximize) and a search bar at the top right. The main content area is titled "Sign Up". It contains five input fields: "Name" and "Last Name" in separate boxes, followed by three stacked boxes for "Email Address", "Password", and "Repeat Password".

A stylized version of the sign-up form presented on a mobile device. The background is red. The form is contained within a white rectangular box with rounded corners. At the top, there is a "Sign Up" button. Below it are five input fields: "Name", "Last Name", "Email Address", "Password", and "Repeat Password". At the bottom of the form are two large, dark grey, rounded rectangular buttons labeled "Sign Up" and "Sign In". At the very bottom of the screen, there is a navigation bar with four small circular icons labeled "Explore", "News", "About us", and "Privacy Policy".

Projects

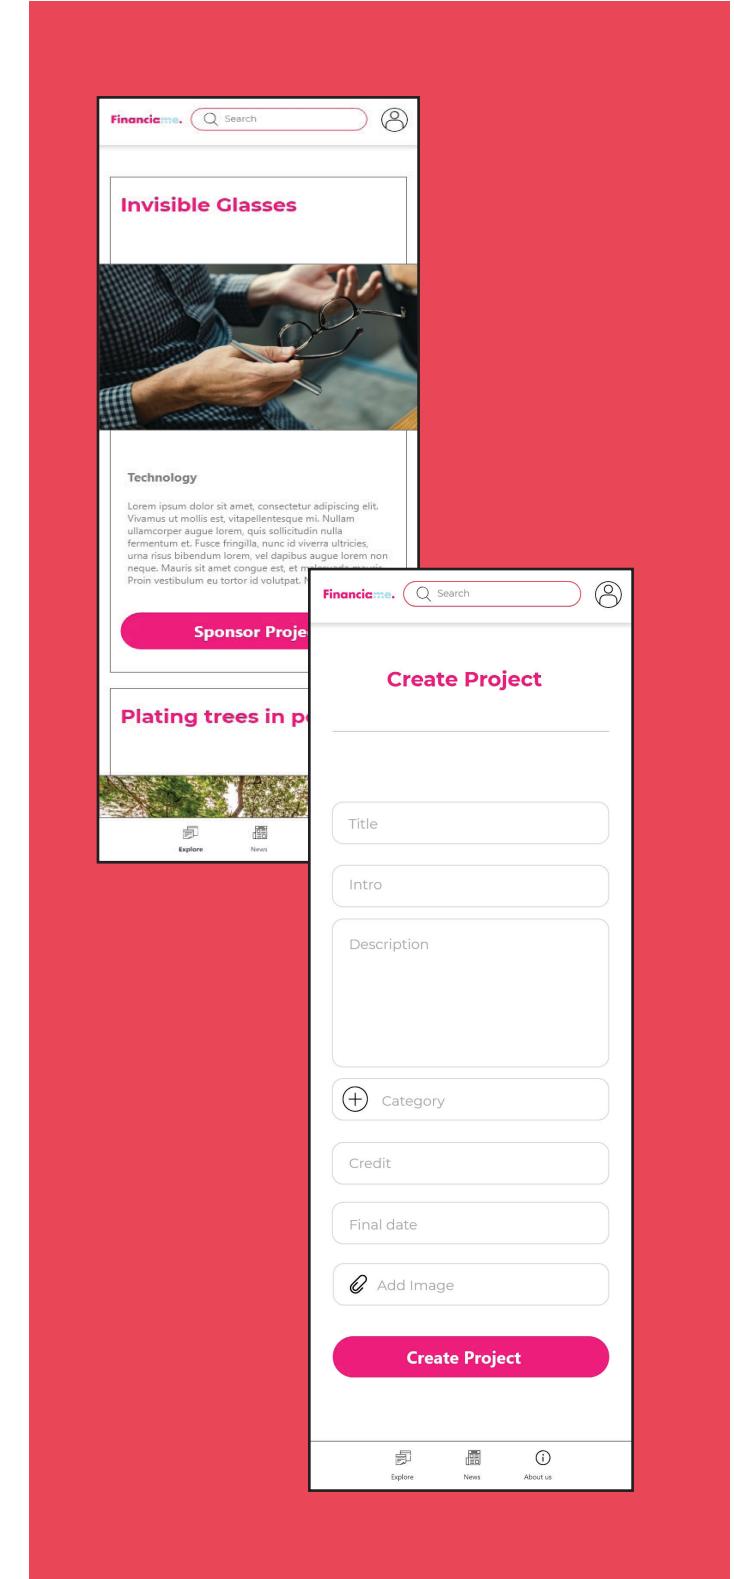

The screenshot shows a project listing page on the Financime website. At the top, there's a navigation bar with links for Explore, News, About us, Create a project, a search bar, and a Log out button. The main content area displays a project card for "Invisible Glasses". The card includes a thumbnail image of a pair of glasses, a category section with placeholder text, and a "Sponsor Project" button. To the right of the main card, there's a sidebar titled "Similar" with four smaller project cards, each showing a thumbnail and placeholder text.

Create Project

The screenshot shows the "Create Project" form on the Financime website. The form is divided into several sections: "Title" (input field), "Intro" (input field), "Description" (text area), "Category" (button with a plus sign), "Credit Goal" (input field), "Final date" (input field), and "Add images" (button). The background features a large, semi-transparent watermark of a person holding a plant.

This screenshot illustrates the user interface of the Financime website, showing two pages side-by-side against a red background. On the left, a project detail page for "Invisible Glasses" is shown, featuring a large image of hands holding glasses, the title, a brief description, and a "Technology" section with placeholder text. On the right, a "Create Project" form is displayed, mirroring the structure of the "Create Project" page shown in the previous screenshot, with fields for Title, Intro, Description, Category, Credit, Final date, and Add Image, along with a prominent "Create Project" button at the bottom.

User Profile

The screenshot shows the user profile page for 'Jon Doe'. At the top, there's a navigation bar with links for 'Explore', 'News', 'About us', 'Create a project', and a search bar. On the right, there are 'Log out' and user profile icons. Below the header, the user's name 'Jon Doe' is displayed in a large pink font. A section titled 'Projects' lists one item: 'Invisible Glasses'. This project has a blue button with the number '552' in white. To the right of the button are edit and delete icons. Below the button is a small preview image of the project and some descriptive text. At the bottom of the project card is a pink 'Create Project' button.

This screenshot shows the same user profile for 'Jon Doe' as the desktop version, but it's presented in a mobile-friendly layout. The overall design is smaller and more compact. The 'Invisible Glasses' project card is visible, featuring the '552' supporters count in a prominent blue box. A pink 'Create Project' button is also present. The bottom navigation bar includes 'Explore', 'News', and 'About us' links.

Payment

The screenshot shows a payment modal for a project titled 'Invisible glasses + case'. The modal has a light gray background and contains the project title at the top. Below it is a paragraph of placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus ut mollis est, vitapellentesque'. At the bottom of the modal are two pink buttons: 'Sponsor' and 'Buy Credits'.

This screenshot shows the same payment modal for the 'Invisible glasses + case' project, but it's shown on a mobile device. The text and buttons are scaled down to fit the screen. The 'Sponsor' and 'Buy Credits' buttons are clearly visible at the bottom of the modal. The bottom navigation bar includes 'Explore', 'News', and 'About us' links.

Brexit: How the timetable to 31 October could unfold

"Please don't waste this time," was the appeal from European Council President Donald Tusk, after European Union (EU) leaders agreed to delay the UK's departure from the EU until the end of October.

But of the seven months between 29 March, the original Brexit date, and 31 October, the end of the current extension period, two months have already elapsed.

And nothing has really changed. New leader.

The UK Parliament is as deadlocked as ever, and most of the next two months will be taken up by the Conservative leadership contest.

The aim is to have a new leader, and therefore a new prime minister, in place before the start of Parliament's summer recess - when the House of Commons and the House of Lords effectively shut down. That is expected to begin towards the end of July.

EU leaders are due to review progress on Brexit at a regular summit on 20 to 21 June. But by that time they will not even know who is going to be in charge after

Create Package

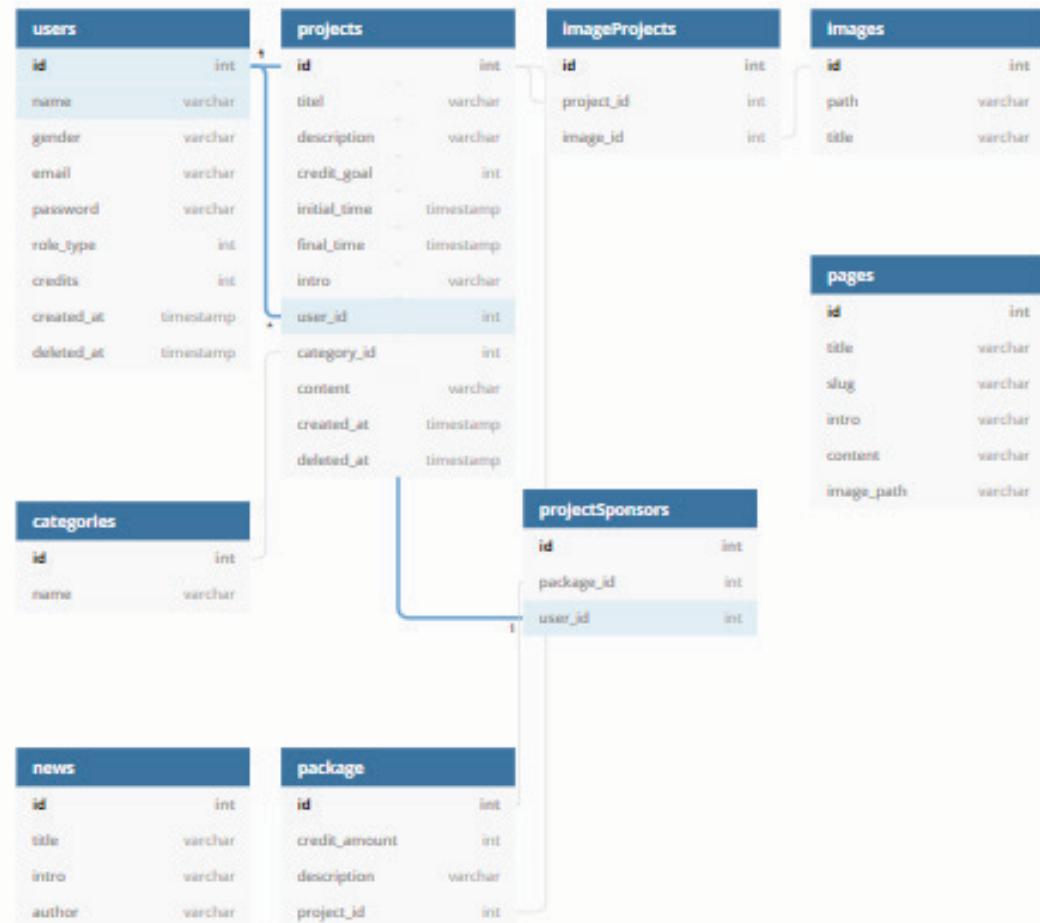

The screenshot shows the 'Create Packages' section of the Financiame website. At the top, there is a navigation bar with links for 'Explore', 'News', 'About us', 'Create a project', a search bar, and a 'Log out' button. Below the navigation, the title 'Create Packages' is displayed. The form consists of several input fields: 'Title', 'Description', and 'Amount of Credits'. A large blue button labeled '70' is visible. Below the input fields is a 'Delete Package' button with a trash can icon. There is also a preview section with 'Title' and 'Description' fields.

Sponsor Project

The screenshot shows the 'Sponsor Invisible glasses' project page. At the top, there is a navigation bar with links for 'Explore', 'News', 'About us', 'Create a project', a search bar, and a 'Log out' button. The title 'Sponsor Invisible glasses' is displayed. Below the title are two large blue buttons labeled '70' and '50'. Each button has a corresponding description: 'Invisible glasses + case' and 'Invisible glasses + autograph'. Below each description is a short paragraph of placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus ut mollis est, vitapellentesque mi. Nullam ullamcorper augue lorem, quis sollicitudin nulla.' At the bottom of the page are links for 'Explore', 'News', and 'About us'.

This diagram illustrates the data flow between the 'Create Package' and 'Sponsor Invisible Glasses' forms. It shows two separate wireframes. The left wireframe represents the 'Create Package' form, which includes fields for 'Title', 'Description', 'Credit', and a 'Delete Package' button. The right wireframe represents the 'Sponsor Invisible Glasses' project page, which includes a large '70' button, a '50' button, and descriptions for 'Invisible glasses + case' and 'Invisible glasses + autograph'. Both wireframes have a red background, indicating they are part of the same overall system. The 'Add Package' and 'Save' buttons from the 'Create Package' form are shown above the 'Sponsor Invisible Glasses' project page, suggesting they are used to interact with it.
